Mayuresh Khanaj

SDE-II @ tracelink

Pune, Maharashtra, India

Summary

I am passionate and curious learner and believe in Problem Solving, teamwork ,bringing impact using Tech as tool....

interested and working in domains like -

--Natural Language Processing

--statistics and ML

--competitive coding

I have created task oriented dialogue systems(social media chatbot) that can help small business owners to automate several tasks as a beginner level project. I presented it in intercollege startup event and successfully made up to the final round (Top 5 teams).
